MarillacHealth is rescheduling its April 5 fundraiser “Hooray for Hollywood” at Wine Country Inn to April 11, 2021 out of an abundance of caution for the wellbeing of the community, according to MarillacHealth’s CEO, Kay Ramachandran.

The advent of the Coronavirus/COVID-19 has prompted Marillac, like other health care organizations, to focus on mitigating the potential spread to the highest degree, Ramachandran explains.

Edesia, an annual signature event that benefits MarillacHealth, is an opportunity for the community to come together and celebrate philanthropy, delectable food paired with local wines, and to support the work that Marillac provides to local communities.

“Every year Edesia has surpassed the previous year in its enjoyment and fundraising target. We expect that 2021 event will be no exception,” Ramachandran assures.

MarillacHealth and its Edesia partner, Wine Country Inn, will be contacting sponsors, patrons, vendors, suppliers and guests who have purchased tickets with options for refunds, vouchers for next year, or avenues for direct donation to Marillac.

“We totally agree with Marillac’s decision to reschedule Edesia. We profoundly appreciate all the hard work our sponsors, vendors, volunteers and guest stars have put into planning and preparing for ‘Hooray for Hollywood,’ “ confirms Jean Tally, Co-Owner of WCI. “With their support, we will be back bigger and better than ever!”

Ramachandran echoes that gratitude. “We thank all of our patrons and know that you will support us in our efforts in keeping our community well and healthy. MarillacHealth is a Community Health Center who puts the community first when it comes to wellness and living life to one’s best potential.”
